"The stock market is a device
for transferring money from
the impatient to the patient"

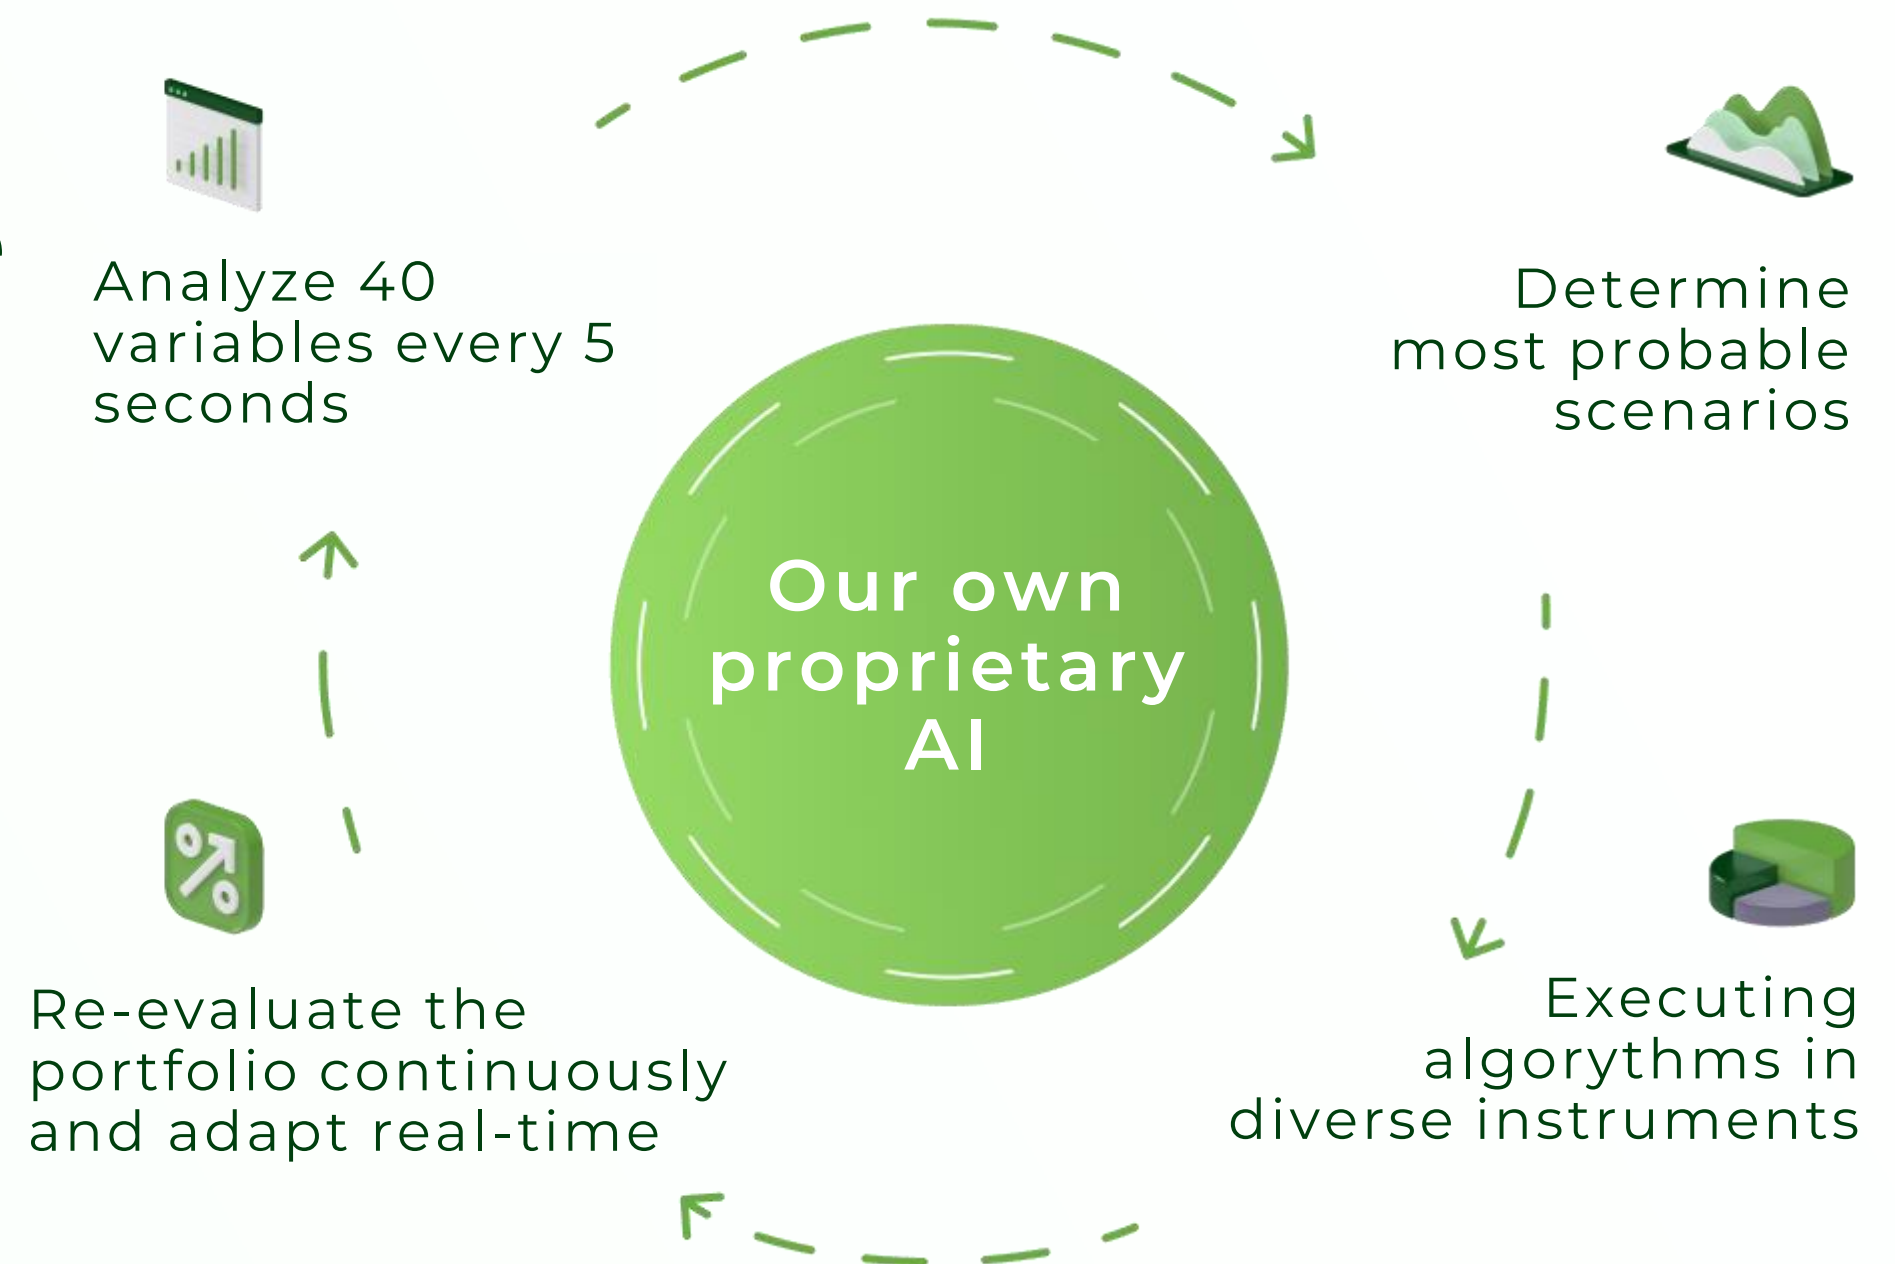

— Warren Buffett,
Best investor in US history

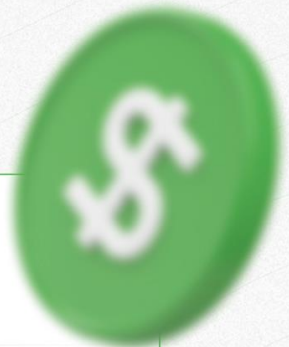

WHAT IF WARREN BUFFETT HAD AI

We have analysed the market for years, made a profit from the start and

have built AI technology to get the most out of the market for you.

WALLET EVOLUTION

Our AI algorithms managed incredible growth, as shown in this back-test

Starting with \$ 10,000 on 1/1/2017, the AI increased the original investment 15-fold by 1/1/2023

WE ARE IN THIS TOGETHER

Unlike many intermediaries, who charge fixed fees regardless of whether you are making money,

We believe in long-term growth and **partnerships**, so we will stand by you, through good or bad times and **will only make money if you do.**

OUR COMMISSION SYSTEM

1st month

Your starting value is €10,000

At the end of the month, you have grown to €13,000, generating a €3,000 profit

Our fee is €1,500 $((\text{Current position} - \text{starting position}) / 2)$

Your new max value is €11,500

2nd month

Your starting value is €11,500

At the end of the month, you end up at €9,500

We will not charge a fee (your current position is below max value)

Your max value is still €11,500

3rd month

Your starting value is €9,500

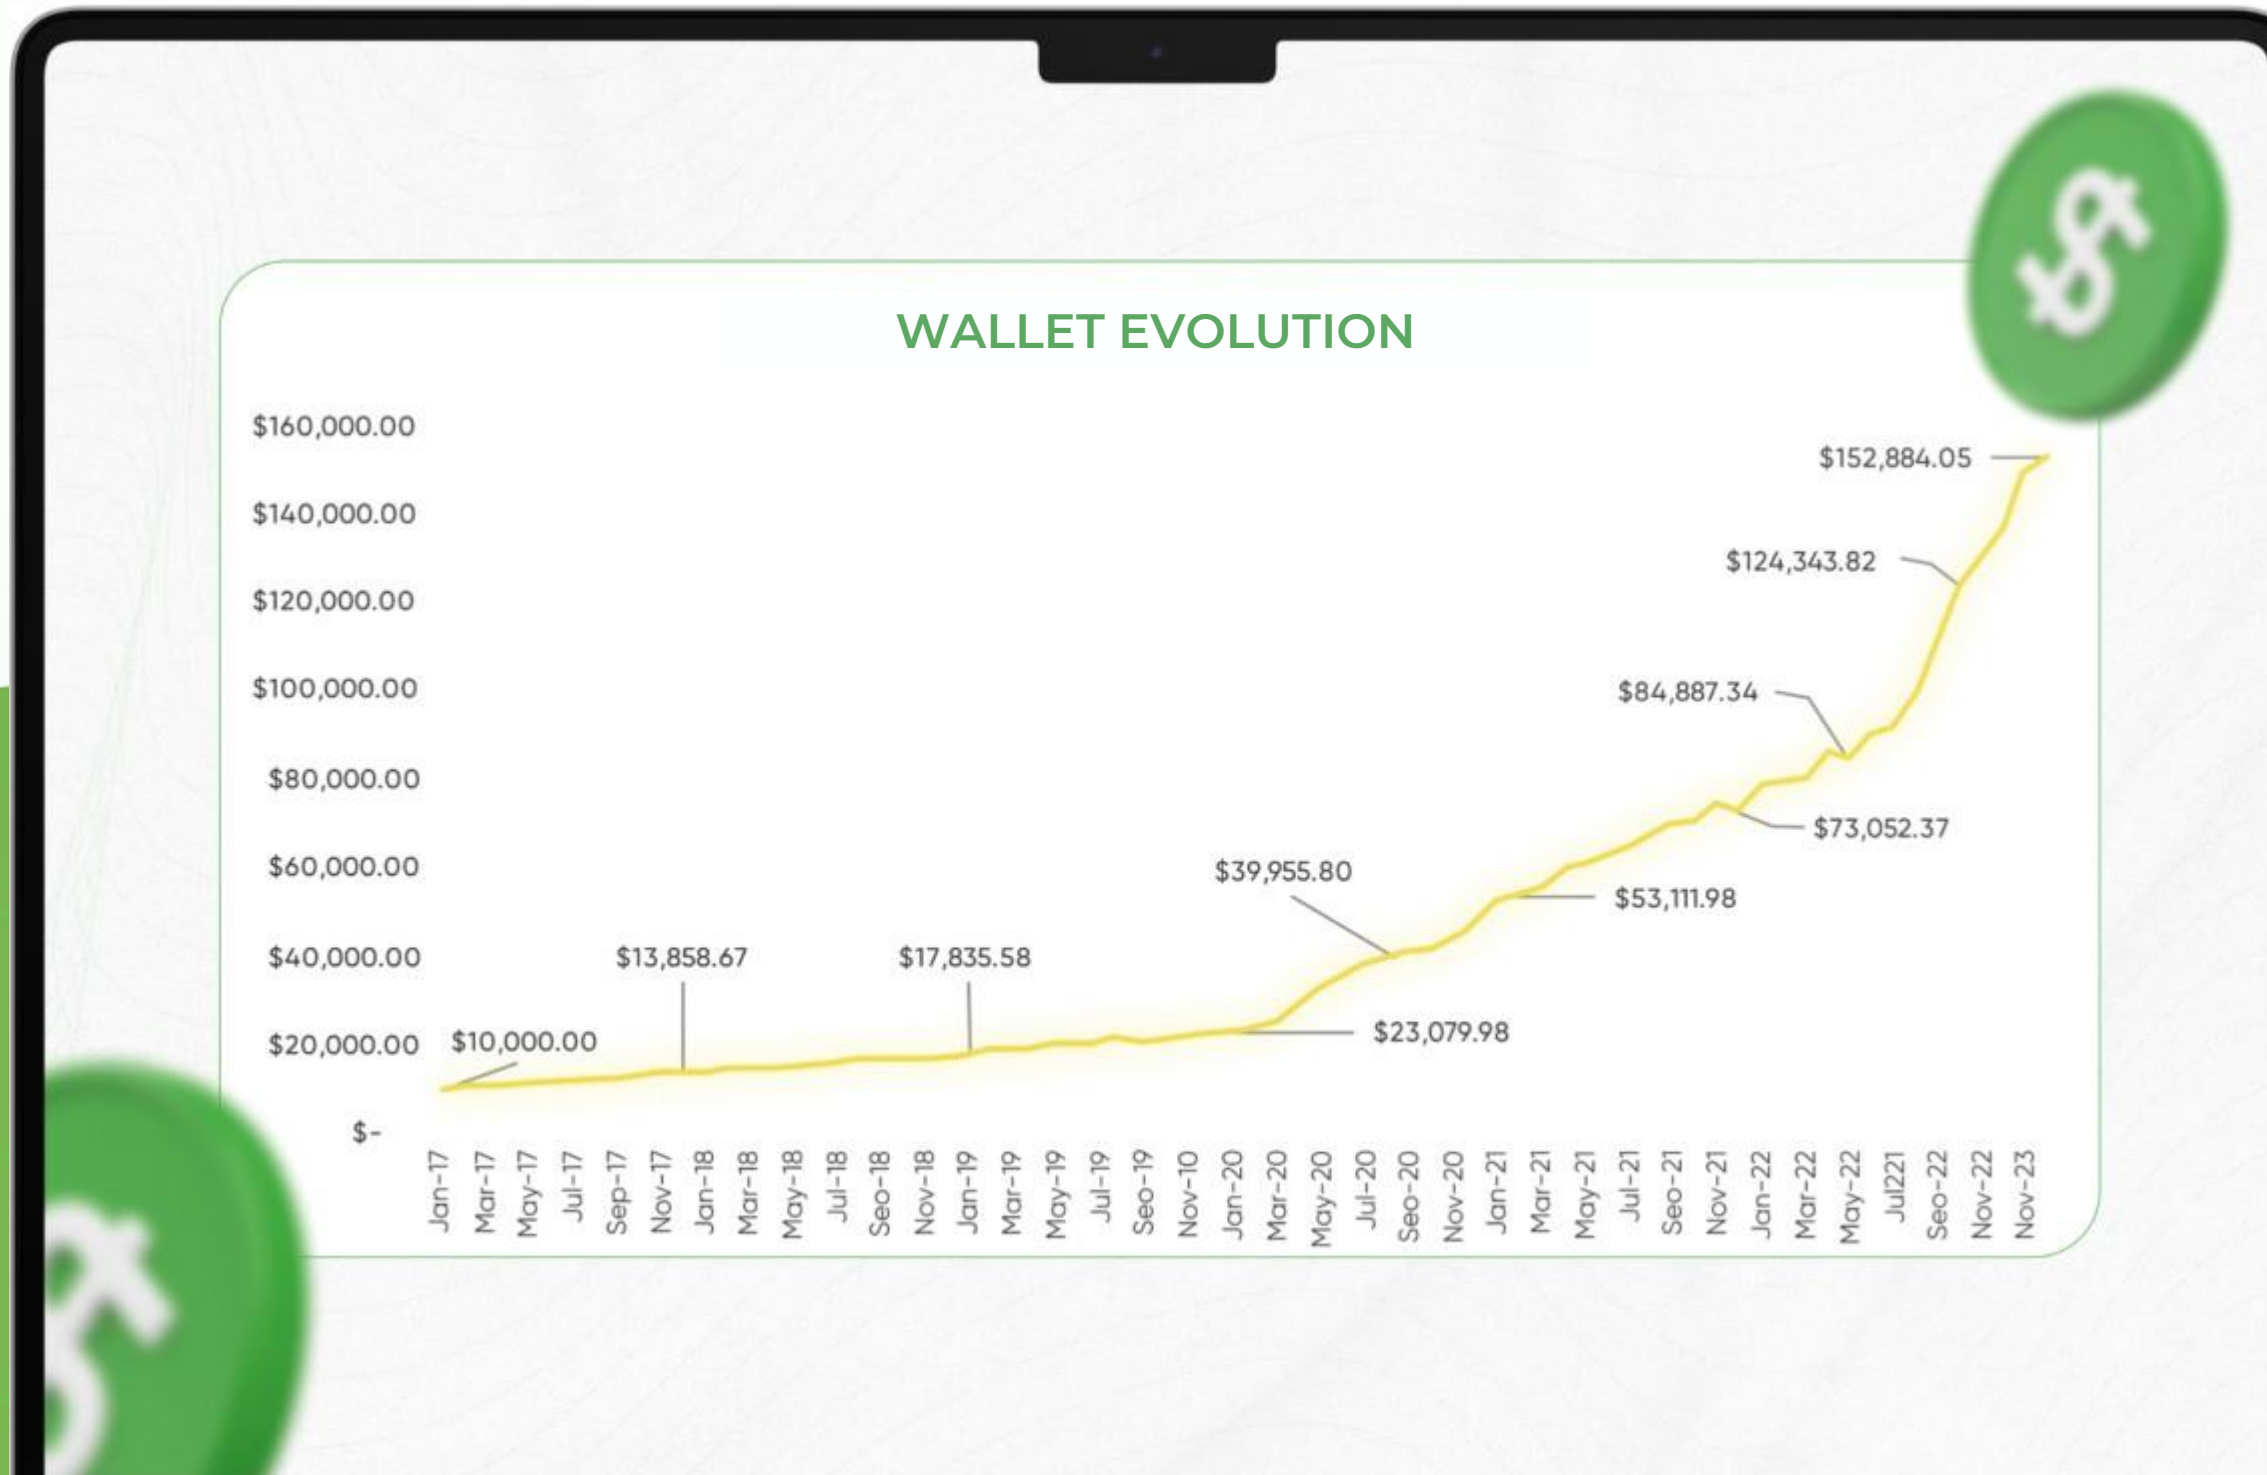

At the end of the month, you have grown to €15,500.

The difference between your max value (€11,500) and your current worth (€15,500) is €4,000.

Our fee is €2,000 $((\text{current position} - \text{max value}) / 2)$

Your new max value is €13,500

REMEMBER THIS CHART? IT SHOWED WALLET EVOLUTION AFTER COMMISSIONS!
